This is in response to the Office Action dated September 30, 2005 for the above identified application.

Attached hereto is a substitute copy of the application as originally filed containing no new matter and furthermore, there is no amendment to the immediate prior version of the specification of record. We also attach a copy of an amendment filed July 18, 2005. Lastly, submitted herewith and under separate cover is an amendment to correct an informality in the specification.

If you require any further assistance, please don't hesitate to contact me.

Respectfully submitted,
